

The book cover features a minimalist design with a light beige background. On the left side, there are five vertical stripes of varying widths and colors: a thin white stripe, a medium-width beige stripe, a thin white stripe, a thin beige stripe, and a medium-width beige stripe. The title 'Internship' is centered in a large, bold, black sans-serif font.

01 Residence

PROJECT: Residence
LOCATION: Calicut, Kerala, India
FLOOR AREA: (3000 sq ft)

"Residential Haven: A Celebration of Brick Craftsmanship and Thoughtful Ventilation"

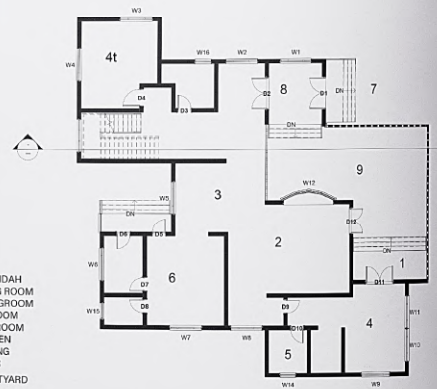

Residential Haven is more than just a collection of homes; it is a testament to the integration of traditional craftsmanship with modern design principles. Through an emphasis on brickwork aesthetics and thoughtful ventilation strategies, this project aims to redefine residential living, offering a harmonious blend of visual appeal, sustainability, and occupant well-being.

02 Primary School

PROJECT: Primary School
LOCATION: Calicut ,Kerala,India
FLOOR AREA: (6800m²)

"Learning Oasis: A Primary School Sanctuary Uniting Brick Craftsmanship and Optimized Ventilation"

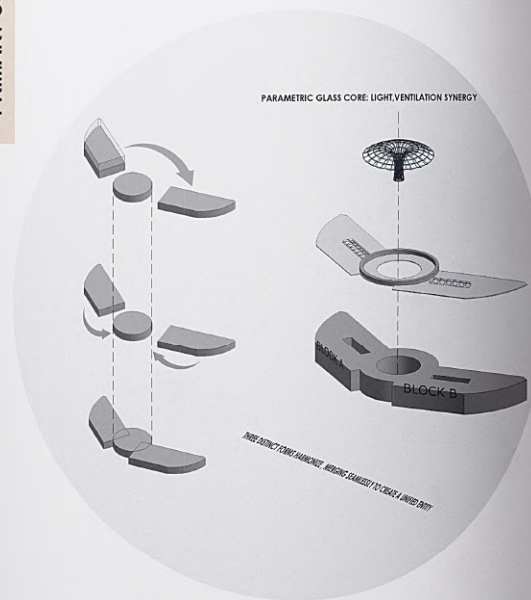

Glass Haven is a testament to the marriage of innovation and education. Through the integration of a glass core, parametric structures, and thoughtful ventilation solutions, this primary school project seeks to redefine the landscape of educational architecture. This visionary endeavor to create a haven where transparency, adaptability, and sustainability converge to shape the future of learning.

03 Commercial Center

PROJECT: Commercial Center
LOCATION: Calicut, Kerala, India
FLOOR AREA: (1200m²)

"Wooden Elegance: A Shopping Mall Redefining Spaces Through Parametric Structures and Refreshing Ventilation"

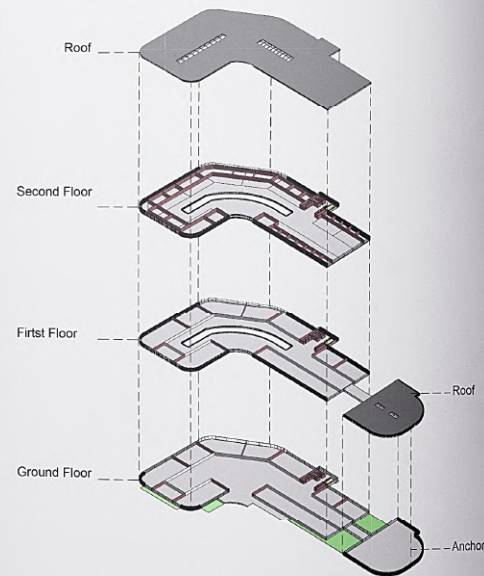

Wooden Elegance is not just a shopping destination; it's a testament to the fusion of natural beauty and architectural innovation. Through the incorporation of wooden facades, parametric structures, and thoughtful ventilation solutions, this shopping mall project aims to redefine retail spaces, providing a sustainable and inviting haven for shoppers. Join us on this journey to shape the future of retail architecture, where wooden elegance meets the cutting edge of design.
